Family Connection:

Give each child a bag and let them fill it up with the heaviest items they can find. Then go on a walk as a family while your child carries their bag. Walk for as long as they can without taking a break; when your kids ask for a rest, find a place to sit down and talk about how the weight of our sins weighs us down, like their backpacks. Explain that the good news of the gospel is that Jesus takes the weight of those sins from us when we trust in Him. He will forgive us of our sins and wipe us clean.

Parent Action:

Our sin doesn't just impact us. Its consequences reach farther than we understand or intend. As we take inventory of our kingdoms, may we give glory to God alone – not just for receiving what we don't deserve, but also for not receiving what we do deserve.
