Title: God is Good to Give Grace

Passage: Psalm 51

Christ Connection:

David confessed his sin and asked God to change his heart so that he would not want to sin again. When we realize our sin, we can confess to God and ask for His forgiveness. Jesus covers our guilt and changes our hearts so we can have life with Him forever.

Questions to Discuss:

- What is one thing you remember from this week's Bible story?
- How can we receive God's forgiveness?
- What sins do you need to be forgiven of today?

Family Connection:

Take your family outside with a few plastic dishes and encourage your kids to get the dishes as dirty as they possibly can – wear play clothes for this! As they're mud-ing up the dishes, ask them what kind of things in their life are the "dirt" in their hearts (ex. Being mean to a sibling, lying, etc.) Share some of the "dirt" (sin) in your lives too. Then, take a hose, and take turns spraying off the dishes – sharing with your children, that when we turn to God and ask for his forgiveness for our sins and follow Jesus, God will clean our "dirt" just like the water cleans those dishes.

Parent Action:

Have you lost joy? Perhaps you are trying to offer God a cedar house instead of a humbled heart? Pray that God will restore to you the joy of His salvation that only comes from a broken spirit and a clean heart.
